EXPERIENCE

MICHIGAN NEWS | September 2017 – Present
Web Design, Editorial, and Social Media Intern

The University of Michigan's VP of Communications department helps promote the research and works of the University's staff. My responsibilities include curating daily reports of international news citations, posting and promoting Michigan News press releases, designing social media posts and infographics, and collaborating on projects. These projects include Faculty Reddit AMA's, the Michigan Today Podcast, and enhancing accessibility across the News Site.

THE BETTER MOM | August 2019 – Present
Creative Media Assistant

My position involves designing, posting and curating content for thebettermom.com and its associated social media profiles. I help brainstorm new ideas to promote engagement and increase site traffic, write content that maintains brand on behalf of company's founder, and design graphics for founder's social media profiles.

MICHIGAN HILLEL | January 2019 – Present
Campus Leader

My responsibility is to represent my organizations and communities on campus. As a group of leaders, we coordinate events that connect these communities in order to build bridges despite our differences.

VOLUNTEER/LEADERSHIP

Leadership

Campus Representative in the David Project's Interfaith Summit in Washington D.C.

Chosen Campus Leader to participate in Michigan Hillel's first ever Campus Leadership Trip to Israel/Palestine.

Member of a team which organized a week worth of community wide events all raising funds for the St. Joseph's Cancer Center totaling \$28,000 in Brighton, MI.

Led Senior Serve, a community service trip where 65 high school seniors volunteer in Detroit for three days. Organized and planned by me and two other peers.
